COLD CASE - Justice for the Not Forgotten

The Take Back our Village is a non-profit organization committed to community empowerment and reducing youth violence. The Charleston County Sheriff's Office has been actively involved since its formation last year. The panel is hosting a forum on March 10, 2015 at 7 pm at the Lincolntonville Town Hall located at 141 W Broad St. Lincolntonville. The Forum is entitled, COLD CASE Justice for the Not Forgotten. Surviving family members will provide a 8x11 photo of the victim and a spokesperson from the victim's family will be allowed to give insight into the victim's life. Law Enforcement Agencies across the Tri-County will have investigators provide brief information about their cases. A representative from crime stoppers will be attending to describe the intricate process Crime Stoppers goes through to ensure the confidentiality of the persons providing information. The media is being requested to cover this forum to assist with bringing a successful conclusion. The purpose of this forum is to personalize the victim, to put a person to the name and statistic and encourage persons with information to come forward.

Please contact Lt. Dan Isgett with the Charleston County Sheriff's Office for any further questions. He can be contacted at disgett@charlestoncounty.org or by cell 843-224-4760.
