# Reward in Sol Legare fatal; second driver wanted

**FOR IMMEDIATE RELEASE**
Wednesday, July 20, 2022

**NORTH CHARLESTON, S.C.** – A reward is being offered for the identity of one driver involved in a hit-and-run crash that killed a pedestrian earlier this month while a second driver is wanted for arrest by Charleston County deputies.

Alexander Jennings, 22, was struck by a vehicle about 2:30 a.m. July 5 while walking on Sol Legare Road. The vehicle left the area and has not been identified. Investigators from the Charleston County Sheriff's Office have no detailed description of the vehicle. Surveillance images that show the vehicle are not high-quality.

Crime Stoppers is offering at least $4,000 in reward money for information leading to that driver's arrest. Tipsters could be eligible for up to an additional $1,000 reward from Crime Stoppers. Anyone can submit information anonymously by calling 843-554-1111, going to 5541111.com or using the P3 Tips app on Apple or Android devices.

After Jennings was initially struck, a second vehicle hit him and also fled the scene. Passersby soon found Jennings and called 911. Jennings was taken to a hospital, where he died.

The second vehicle and its driver were identified. Nicholas Ashton Virgil Price, 22, is wanted on a charge of leaving the scene of an accident involving death. Anyone who has information on his whereabouts or who wishes to submit other information about the case directly to CCSO can call dispatch at 843-743-7200.

Members of CCSO's Traffic Services Unit continue to actively investigate.

**UPDATE Friday, July 22, 2022**

Nicholas Ashton Virgil Price turned himself in Friday morning and was booked at the Al Cannon Detention Center.

**UPDATE Wednesday, Aug. 3, 2022**

Crime Stoppers has increased the guaranteed reward amount to $8,999 with up to an additional $1,000 for information leading to the arrest of the driver of the first vehicle. Anyone can submit information anonymously by calling 843-554-1111, going to 5541111.com or using the P3 Tips app on Apple or Android devices.
