Bicyclist dies after crash with car on Highway 162

FOR IMMEDIATE RELEASE

Tuesday, April 25, 2023

NORTH CHARLESTON, S.C. – Charleston County Sheriff's Office deputies are continuing to investigate a crash that killed a bicyclist this week in the Hollywood area.

Deputies responded about 1:15 p.m. Monday to the collision near 6550 Highway 162. An initial investigation showed that a Nissan sedan was traveling on Highway 162 when it struck a bicyclist riding on the side of the road.

The bicyclist was transported to MUSC, where he died Tuesday. The driver of the Nissan was not hurt.

Deputies from CCSO's Traffic Services Unit cited the Nissan driver for failure to exercise due care. Their investigation is not yet complete.

The Charleston County Coroner's Office will identify the bicyclist.

The crash marked the sixth traffic fatality investigated this year by CCSO.
